School Budget Voted; Exceeds $2 Million

A school budget that climbed well over the two million mark was approved Tuesday night by the School Committee.

The final total was $2,109,610. It exceeded last year's appropriation by $287,675.

Superintendent Edward I. Erickson will confer immediately with the Finance Committee, and a more formal meeting with that agency has been set for Feb. 13 by the Committee.

The budget breaks down into two general categories - salaries and expenses. The former is listed at $1,708,035 and the latter at $401,575.

Salaries have increased by approximately $300,000 over a year

Bassett Elected Church Clerk

The 254th annual meeting of the South Church was held Jan. 29.

The clerk, Donald Bassett, called the meeting to order and Cleveland Gilcreast was elected moderator.

The following officers and chairman were elected for the terms designated. The chairman of the Nominating Committee, Alexander M. Wilson, presented this slate:

Clerk, Donald C. Bassett; treasurer, Norman Barraclough; assistant treasurers, David P. Cardinal, Alan G. Chadwick and Howard C. Hamilton, all one year.

Deacons, four years, Richard S. Pieters, three years, Philip L. Dennett and two years, Preston H. Blake.

Deaconess, four years, Mrs. Newton A. Jones, three years, Mrs. Thomas A. Emmons and two years, Mrs. Harold C. Dunn.

Asking For Budget Data

"They say it's there for the asking - and I'm asking".

Those words concluded a short statement of opinion by Selectman William Stewart, that a full breakdown of the School Department budget should be furnished the Selectmen.

"It never has been", he asserted.

Mr. Stewart was referring to an itemized accounting of appropriated and expended funds, as well as the proposals for the following year.

During the one-man discussion, Mr. Stewart referred to the municipal operation as a "business", and decried certain practices that he believes are not businesslike.

Sunday Afternoon Concerts In Chapel, Art Gallery

An unusual opportunity for the music lover is offered by three departments of Phillips Academy Sunday, Feb. 9, beginning at 2:30 p.m.

At this time, the departments of Music and Religion join in presenting faculty and students of Abbot Academy, Bradford Junior College, Phillips Academy and the Cantor of Temple Emanuel, Lawrence, in a short program of sacred songs and sonatas in the Sylvia Pratt Kemper Chapel; the new, small, chapel located in the lower level of the Cochran Chapel. There will be a short intermission. Then at 3:45, the Chamber Singers will present a concert of romantic and modern vocal music under the auspices of the Addison Gallery and the Art Department, in the Gallery. The combined programs will span the two thousand years of Western musical tradition, sacred and secular, vocal and instrumental, in a period of two hours.

The concert in the Kemper Chapel will include music from four great Western religions, from Hebrew chant to sacred works of Mozart. Byzantine chant, which originated 1,600 years ago, is sung today in the Eastern Orthodox Church. Music for the Roman Catholic Church is represented by instrumental and choral works by Mozart. A solo cantata for soprano, strings and continuo by J. S. Bach

The second program, at the Addison Gallery, will consist of 18th and 20th century vocal music, accompanied and a capella, solo and ensemble, ranging chronologically from Brahms "Liebeslieder Walzer" to choral songs by Paul Hindemith, "Lieder" by Schumann and Mahler, and "chansons" by Debussy will span a century's development of what some consider a rich but neglected field of music.

During the first hour, Kari Legge, of Bradford Junior College will sing "Tu Virginum Corona" from the motet "Exsultate Jubilate" by Mozart. Mrs. Legge has soloed widely in opera and oratorio in Europe, with the famed RIAS Symphony in Germany, at the Gardner Museum in Boston. She will also sing the Protestant solo Cantata, "Schlage doch, gew unschte Stunde" by J. S. Bach. In both of these works, Mrs. Legge will be accompanied by the Andover Trio - Laura Stevenson, Abbot '64, Robin Batteau, P. A. '65, and Mike Madison, P. A. '65, and Jessie Higgins, pianist.

Byzantine chant will be sung by Dean Bouzianis, director of music at Bradford Junior College, assisted by selected members of the Phillips Academy Choir. Mr. Bouzianis studied Byzantine chant at the National Conservatory of Greece, from which he graduated.

Cantor Irving Shuman, accompanied by Reginald Boardman, will sing three traditional Hebrew chants. Mr. Shuman is Cantor at Temple Emanuel in Lawrence. He has sung with the Boston Pops, and in opera under Boris Goldofsky and Sarah Caldwell, and has been in concerts at the Gardner Museum.

Three one movement sonatas for string trio by Mozart will be played by the Andover Trio assisted by Mrs. Higgins. These sonatas were written to be played between the Epistle and the Gospel in the Catholic Mass.

The Chamber Singers, organized in 1954 by two college students, draws its personnel from the Greater Boston area. Specializing in the music of the Renaissance, they have given concerts at Harvard, the Fogg Museum, Phillips Academy, Phillips Exeter and the Putney School, Vermont. Local members include Robert and Susan Lloyd, founders of the group, and Crayton Bedford. Messrs. Bedford and Lloyd are on the faculty at Phillips Academy.

The public is cordially invited to either or both of these concerts. There is no charge for admission.

MORSE APPOINTS LOCAL STUDENT

Congressman F. Bradford Morse has named William T. Ober II of Andover as his principal appointment for the U. S. Naval Academy at Annapolis.

The announcement followed competitive written examinations and interviews by a nonpartisan board appointed by the Congressman. Ober is the son of Mr. and Mrs. Richard T. Ober, 76 Salem st. and is a senior at Andover High School.

Wright Heads Prep Club Program

Jason C. Wright, training director of Raytheon's Andover plant, has been named program coordinator for the Greater Lawrence Prep Club program, it was announced jointly by Robert E. Maguire, president of the Greater Lawrence Chamber of Commerce and Robert E. Christ, chairman of the Chamber's Industrial Bureau.

The Industrial Bureau will sponsor the Prep Club program, which will start Feb. 11 at Merrimack College.

The Prep Club program is designed to aid high school seniors who have enrolled in the program, to select the kind of work that is suited to their needs, interests and qualifications and at the same time give these students an insight into various job requirements. This year's program is being operated as a "pilot" program in order that it may be studied and improved.

WARREN S. COOPER

Warren S. Cooper, C.P.A., has been appointed to the position of treasurer-controller of Standard International Corporation, a diversified operating company headquartered at 166 North Main st.

Formerly a general partner of Hitchcock & Company, certified public accountants of Springfield, Mr. Cooper will also serve as a member of Standard International's Executive Committee. Standard International has five domestic manufacturing subsidiaries and divisions in a wide variety of industries, three Coca-Cola franchises in South America and is also the controlling stockholder of Lestoil Products, Inc. of Holyoke.

In his new capacity, Mr. Cooper will be responsible for the coordination and planning of intro-company accounting and control procedures as well as the determining and implementing of long-range corporate financial policies.

A native of New Jersey, Mr. Cooper was associated with Hitchcock & Company for 11 years. During that period, he supervised all management services and data processing, and was supervisor of audits for many of the larger clients. As a consultant with many clients, he set up accounting and cost systems, incentive plans and electronic computer techniques for industry and banking. Prior to that, Mr. Cooper held positions as assistant treasurer of the Pioneer Folding Box Company, and industrial engineer with the Container Corporation of America.

Standard International has a controlling interest in the following companies: The Everedy Company of Frederick, Md., a housewares manufacturer; Roehlen Engraving Works of Rochester, New York, a producer of engraving rolls; two large Midwestern printing operations; and Coca Cola franchises in Argentina, Chile and Uruguay. In addition, Standard International is also the major stockholder in Lestoil Products,

Girl Scouts

Cadettes of Troop 54, under the leadership of Mrs. Joseph Howard, have been working on the Home Nurse badge. This is being done with the cooperation of the Andover Chapter of the American Red Cross, which has provided a registered nurse to give the girls specialized instruction.

Brownies of Troop 73, whose leader is Mrs. Clarence Chapman, held an Investiture Ceremony at which nine new Brownies were invested as members of the troop. Following a flag ceremony the girls made their Brownie promises and then presented a play of the Brownie story. The new members are Deborah Anderson, Martha Coombs, Wendy Ellis, Sheryl Foster, Avis Newell, Marcia Regan, Robin Salter, Bonnie Timmons and Jennifer Wilbur. Eleven girls also received their first year membership stars: Marylou Chapman, Melissa Goodwin, Virginia Hall, Nancy LeGendre, Laurie Moulton, Nancy Lannigan, Gloria Noble, Kathryn Parent, Nancy Sagaser, Deborah St. Louis and Diane Sanborn.

Troop 45, a Junior Girl Scout Troop, made final plans at their meeting last week for a skating party and winter cookout. Mrs. Edward Lindholm is the leader in charge of the group.

Troop 77, Cadette Scouts, are working on a badge which is new to the program this year, the Chef Badge. As part of the requirements for the badge, they are planning an International dinner. February is designated as International month in the overall Girl Scout program. Mrs. Francis Bailey is the leader of this troop.

The Juniors of Troop 63, under the leadership of Mrs. David Roberts, have enjoyed a very active year. During the first half of the season Christine Moss, Katherine McKeon, Anne Martellini and Barbara Connolly were leaders of the four patrols, with Anne Marie Bailey as treasurer and Mary Lou Lussier as scribe. Nine new members were added to the group including Susan Hannigan, Elaine LeGendre, Rosemary Lynch, Kathleen McLaughlin, Margaret Pike, Beverlee Timmons, Carolyn Weeks, Kit McCormick and Isla Grant. The girls of this troop combined with the girls of Troop 75 for a trip to the Boston Science Museum and have enjoyed working on the new Gypsy badge and Cook badge.

Any girl interested in joining a Girl Scout troop in Andover may obtain information by calling the neighborhood chairman, Mrs. F. Kenneth Godin.

Mrs. Meyers To Direct Heart Fund

Dr. William O'Reilly, president of the Essex North Chapter, Mass. Heart Association, has announced the appointment of Mrs. Thomas Meyers, 7 Rennie dr., as general chairman for heart fund activities here.

Mrs. Meyers is a director of the Heart Association and has been active, both as a member of the board and acting as Heart Sunday chairman, area leader and captain in the annual door to door drive. As chairman, Mrs. Meyers will direct the activities of all phases of the heart fund drive during the month of February. Assisting Mrs. Meyers are other directors, Mrs. Gilbert Barrett, Mrs. William O'Reilly, Mrs. Margaret Berger, Mrs. Vida Majerison, Mrs. Harriet Eastman, Dr. William O'Reilly and Arthur W. Spirdione.

Stronger Gutters

Because gutters for the home made of nickel-containing stainless steel are stronger than those made of ordinary steel or other materials, they can stand up under heavy loads of ice and snow without sagging, deforming or corroding.

Serio Manages Swimming Team

JOSEPH SERIO JR.

Joseph Serio Jr., '64 son of Mr. and Mrs. Joseph Serio, of Lowell Junction rd., is manager of Williston Academy's 1964 Varsity Swimming team.

So far this season, the team lost to Harvard Freshmen 42-53 and won their meet with Trinity Freshmen 56-39. Williston Academy is a 123-year old independent secondary school located in Western Massachusetts.

ago, because of raises granted last year that are, for the first time, being paid on a full-year basis.

Expenses have increased about $50,000.

As a final act, before approving the total budget, the School Committee included a $4,000 item for band equipment. This will buy $2,000 worth of instruments, blazers for the boys and additional uniforms for the girls.

Also added was a $4,500 amount listed as $3,600 for salaries and the balance as expenses - for work in curriculum improvement. Supt. Erickson and Curriculum Coordinator Lauristan Ward recommended the amounts.

The complete budget breakdown can be found on page six of this issue.

YOUR Pharmacist SPEAKS

by: Paul Upson, R. Ph.

The story of medicine very naturally begins with disease which is as old as life itself. However, it is among the mummies of ancient Egypt that we find the earliest evidence of illness in man. Mummified remains indicate quite clearly that ailments such as gallstones, tuberculosis of the spine, gouty deposits and chronic rheumatism afflicted the ancients much as they do the man of today.

However, the ancients couldn't seek relief by the use of the drugs we have available today. For prescriptions to be filled or any medical need look for friendly, courteous service at SHAWSHEEN PHARMACY, Shawsheen Square. Phone 475-2590. Free prescription delivery.

THIS WEEK'S HOUSEHOLD HINT: If you squeeze your breakfast orange juice the night before, take care to stopper it tightly. Oxygen tends to reduce the vitamin count.

4 Variances Given By Appeals Board

The Board of Appeals has approved four petitions for variances from the zoning by-laws.

Joseph E. and Elsie Senuta asked for a variance that would allow two house lots at 75-76 Henderson ave., with both having less than required area. The Board said the lots had been in separate ownership when the zoning requirements changed, but conformed to the requirements at the time they were divided into lots.

Glen A. Peatman was given permission to build a house on Evergreen ln., and to tear down a camp there.

Elmer Comeau received approval for the creation of two lots on Nancy cir., both with less than needed area and one also having less frontage than required.

Francis and Loretta Goff were given permission to complete their house on Ballardvale st., with all of the frontage in North Wilmington and all of the lot's four acres in Andover. A foundation was first built on the lot in 1957.

Youth Center

Membership for the '63-64 season is rapidly reaching the goal of 600 members set by the Center. New curtains and a fresh coat of paint for the lounge, provided by the Andona Society, have spruced up the room greatly.

The pizza party and dance held at the Center two weeks ago proved so popular that a Valentine party will be held Feb. 8.

Saturday afternoons, from 1-3 p.m., arts and crafts classes are being held. The Center has great need for a volunteer arts and crafts instructor weekday afternoons. Anyone interested in this type of work is urged to call the Center.

Current tournament winners include Jean Porter for the "45" tourney, and David Berube, Barry Keefe, Debbie Stowell and David Cannon, finalists in the table tennis championship.

Sgt. William Tomlinson is now supervising the gymnasium in the afternoon. Sgt. Tomlinson is a member of the U.S. Marine Corps, stationed in Lawrence.

Trampolene and roller skating classes will be held Monday, Wednesday and Friday afternoons at 4 p.m. These classes are open to all age groups, and anyone may enroll by signing up at the Center.

With the completion of the Self Defense class Feb. 17, arrangements will be finalized for a Women's Conditioning Class to be held Monday evening. Registration may be made now at the Center for membership in the class.

SCOUT BANQUET

Cub Pack 72 of the Free Christian Church will hold its Committee meeting tonight at 8 o'clock at the Church hall.

The Scout banquet will be held Saturday evening, Feb. 8, at 6:30 p.m. at the Church hall.

INTERIM MINISTER AT BAPTIST CHURCH

Dr. Glenn W. Barker, professor of New Testament at Gordon Divinity School, will serve as interim pastor of the Baptist Church.

He temporarily fills the vacancy caused by the resignation of the Rev. W. Carter Johnson.

He's considered a wise man if he learns early in life that his better half is always a little better than half right.

Guest Minister At Free Church

REV. PAUL E. SHANABROOK

The Rev. Paul E. Shanabrook will preach at the Free Church Sunday.

His sermon title is "The Motive of Our Mission".

Mr. Shanabrook is serving as part of the national staff of the United Church of Christ. He was called to his position as New England regional secretary for The Stewardship Council in January of 1963. In this capacity, his primary task is to interpret and promote the total mission of the church to conferences, associations and local parishes.

Before coming to this broader work, he was the founding pastor of a new congregation in Cleveland, Ohio, St. Mark United Church of Christ. This Church was established with the aid of the Board for Homeland Ministries of the United Church of Christ.

Mr. Shanabrook was graduated in 1957 at Eden Theological Seminary of the former Evangelical and Reformed Church, Webster Groves, Mo. and at the College of Wooster, Wooster, Ohio, in 1954.

EVENING CIRCLE MEETS THURSDAY

The Women's Evening Circle of West Parish Church will hold its next meeting on Thursday, Feb. 13, at 7:45 p.m. at Fellowship Hall. Mrs. Ronald Gerstenberger will conduct the worship service and dedication of the Second Mile Boxes, after which the Rev. Bruce Van Blair will present a talk on "Forgotten History".

Will Publish New Brochure

A brochure urging voters to support a $10,000 appropriation for development of Andover Recreation Park will be published by the Recreation Council.

Meeting Monday night, the Council also reviewed the proposed budget for 1964 with director Leslie Bartow.

In other business, the Council elected Mrs. Thomas Dye as president. Robert McIntyre, who has been serving in that capacity, resigned due to the pressure of duties as chairman of the School Building Committee.

Other officers are Dr. Douglas Dunbar, secretary and Richard St. Armand, treasurer. The Council membership is made up of all citizens with an interest in recreation.

At the meeting Monday night, members expressed the feeling that, once the town has installed water, sewers and parking facilities at Andover Recreation Park, many organizations will want to supply equipment for the area. The site will be used for family-type recreation, they explained, and the lodge will be available for meetings.

In further business, the Council heard a report that 50 persons are taking part in three classes offered at the Junior High, under sponsorship of the Council.

Townsman Editorial Thoughts

Theirs Is A Tough Job - Respect It

It's no fun to be the one to say no.

But sometimes it must be said – and usually, when considering town finances, it falls to the Finance Committee to say that short, but final, word.

This year, as in most others, the FinCom is faced with budgetary requests beyond the capacity of the town to pay. Some must be reduced.

And as in most years, the requests are not foolish, or made with abandon. Rather, department heads as a whole request only those items which they believe are necessary to the proper conduct of their offices, and to carry out their responsibilities.

Thus, saying no is more difficult – there are few clear-cut choices to be made. Instead, some needed items must be cut out, simply on the grounds of economy. It's hard to decide which, of several necessary items, should be eliminated or reduced.

But once the budget is prepared, it represents the best thinking of the Committee, and comes as close to being financially reasonable as any such document can.

We have suggested before that department heads should be allowed the opportunity to make a sales pitch at town meeting, if they believe an item to be so important as to warrant this activity. We naturally support the principle that any individual item in the budget is subject to the opposite arguments, and can be further reduced or eliminated.

We do not believe in the across-the-board reduction method – slicing a percentage off the total budget and leaving the specific changes to the manager. This often results in inequities. And it certainly reflects on the Finance Committee's ability to turn in a good recommendation, in the best interests of the town.

We hope there will be no such effort made this year; but if such a motion is offered at town meeting, we suggest that the Finance Committee vigorously defend its recommendations, and that other town agencies and the Board of Selectmen provide some support and assistance.

Procedures Need Strengthening

The presence of two articles in the town meeting warrant, concerning land acquisition, points up an area of municipal operation which is obviously weak.

The Taxpayers' Association has filed the articles, and they would have the voters appropriate or transfer funds to acquire specific sites – one for school purposes, the other for expansion of the dump.

That the voters should be expected to choose specific plots of land, on the basis of debate at the town meeting alone, is an indication that something is wrong with the prevailing system of land acquisition. For it appears sensible to believe that town meeting is not the place, nor the time, to make such a decision.

In fact, the existing system – in which town meeting authorizes the expenditure of funds, and other town agencies select the land – is theoretically sound. As it stands now, the School Committee designates school sites; the town manager and other affected departments select sites for other purposes. The Land Acquisition Committee only exists as an advisory group, and to attempt the actual acquisition.

It is only natural that there should be differences of opinion over the merits of various sites, for whatever purpose they are to be used. But these should be argued out, and a decision reached, on the administrative level of government.

Somehow, the procedures set up to acquire land have to be strengthened; more speed must be acquired in carrying out the administrative or policy decisions.

As Always - Well Done

An item or two in the "Down the Years" columns, concerning snow removal problems 25 years ago, prompts us to once again mention the fine job done by the department now.

Local streets – especially the hills and known slippery spots – are kept in good condition. Unless the storm is of unusual severity, there is never any occasion when a driver would be concerned about getting stuck in the drifts. And allowing for weather conditions, there are very few occasions when ice becomes a problem on the main streets.

The extensive use of salt, apart from keeping roads open, cuts costs later in the year. There is less sand to sweep up, therefor manpower and equipment costs are less, for this particular item.

We feel that we speak for the town as a whole in expressing warm thanks to the public works personnel for the work they do, in the worst of weather, so that the rest of us can keep moving without much inconvenience or trouble.

Abbot Juniors Help Family To Survive In Own Village

The Aidinis family of Agios Georgios village, on the island of Euboea, Greece, has hope for a better future because of the generosity of the Junior Class of Abbot Academy.

The class sponsors the Aidinis family, including parents, grandmother and three young children, through Save the Children Federation. Ellen Sobiloff is secretary of the class and chairman of the committee on the child sponsorship.

The purpose of the sponsorship is to help both the Aidinis family and all of the Agios Georgios village people to make a better life for all of their children, through their own efforts, and some modest financial and technical aid from the Federation.

For years Andrew Aidinis has been unable to provide for his family's bare necessities from his 3 3/4 acres of land and part-time employment as a field hand. His situation is typical of the small farm owners of Agios Georgios.

Today, thanks to the Abbot Academy Junior Class, the family owns three new ewes of an improved breed of sheep, from which they can earn a supplementary yearly income of $100. The Aidinis family, plans to use part of this new income to increase its flock. Their sheep project is supervised by the Greek Government Agricultural Service and will serve as a demonstration to the other villagers on how, with a small outlay of cash and the use of professional services available to them, they too can improve their lot.

Another part of the Junior Class sponsorship grant will be allocated to the village people, who will use the funds to help carry out some community improvement project. The villagers will contribute all of the labor for the project.

The Abbot Academy Junior Class can use the Federation's translation service to correspond with their Greek friends. They have received a case history of the family and will also receive photographs and periodic progress reports.

Founded in 1932, Save the Children Federation aids children through sponsorships, family, school and community self-help projects, the self-help scholarship fund and the annual collection of used clothing. The Federation, whose national headquarters is in Norwalk, Conn. helps American Indian children, children in the Southern Appalachian Mountains and in 18 countries overseas.

A pessimist greatly fears his worst fears won't be realized.

Down the Years with The Townsman

75 Years Ago – February, 1889

The first crop of ice was taken this week from Pomp's Pond. It measured 10 inches thick.

Pickerel fishing is very good this winter. L. F. Achorn recently caught the largest one to date, weighing nearly 4 pounds.

John C. Perham has the frame raised for his home on Chester st., Ballardvale. Harry Kibbee is hauling the lumber for him.

50 Years Ago – February, 1914

Joseph T. Lovejoy of West Andover is suffering from a severe case of whooping cough.

Bernard L. MacDonald of the Post Office force attended the Valentine party held Wednesday evening by the postal clerks in Lawrence.

Thomas E. Rhodes had a narrow escape from injury this week when he was thrown from his team, as his horse rounded the corner of his driveway very suddenly.

George M. Bemis, superintendent of schools, has been unanimously appointed to a similar position in Revere. He has resigned the local position, effective March 14. School Committeeman Henry F. Bodwell is chairman of a subcommittee to look over the field of available candidates, and report at a later meeting. Others on this committee are Frederick G. Moore and Philip F. Ripley.

25 Years Ago – February, 1939

Two articles in the town warrant concern the new town hall. They offer alternate sites: $20,450 for the Shaw property, or $12,000 for the Grout property, which lies between the Shaw land and the Post Office.

Last week the School Board included in its budget the sum of $3,000 for repairs in the basement of the Bradlee School. Then to the members' amazement, they were informed a week later that the cost of doing the work will be over $6,000. Architect Perley F. Gilbert agreed, however, that some of the work can be put off, and the price maintained at $3,000 for this year.

Monday night the School Committee voted to close the North School. By Wednesday, citizens in that area had drawn up an article for the warrant, to prevent the closing.

The annual policemen's ball will be held tomorrow evening.

"Big Mike", the much-disputed grader, was called into play Tuesday, to break up the deeply-rutted ice on Main st. After the extremely poor snow removal job of last week, the snow turned into hard-frozen ice all over the town's most travelled street. The grader was able to break up and scrape off the accumulation.

10 Years Ago – February, 1954

The annual warrant, including budgets and special articles, calls for the expenditure of $1,772,379 - the largest in history.

The citizens' committee that began last December, in an effort to help the Planning Board, suggests enlarging lot sizes as a stop-gap measure. They also propose a study of the zoning, to find out what permanent steps can be taken to zone for orderly growth of the town.

The Selectmen will insert an article in the warrant to rescind the action taken at the special meeting last August, when rent controls were continued.

The sum of $3,696 was collected in the March of Dimes campaign last Thursday night.

Library Hours

The main reading room is open daily from 10 a.m. to 9 p.m. Monday through Friday and 10 a.m. to 6 p.m. Saturday. The Children's room is open from 2-6 daily Monday through Friday and from 10 a.m. to 1, and from 2-6 p.m. Saturday. Both rooms are closed Sundays and holidays.

The Ballardvale branch room is open Monday and Thursday, from 2-5 and 6-8 p.m. If one of these days is a holiday the library will be open on the day following.

Quick Reference

The library has received the latest edition of one of the most valuable reference books for the reader wanting immediate answers – "Information Please Almanac". It contains a wealth of miscellaneous information and statistics on a wide range of subjects. Facts are given about world events, progress in space exploration, sports, rainfall, actors and actresses, inventions and thousands of other topics. The library has dozens of other helpful and authoritative reference books to help answer a question, or solve a problem. It is your library so why not make use of the information that is waiting there?

Those Resolutions

January always sees a number of good resolutions set in motion. One of the most rewarding is a resolution to read more books during the year. The whole family can share in this if some part of the evening is reserved for reading aloud. The library can give some suggestions that will help you make this a resolve well kept. Ask for help in making a good selection.

Story Hours

The next story hour, Feb. 6, is so near Valentine's Day that the program is set around the theme of romance and adventure. There will be a story "Castle Under the Sea" and a movie "The Sleeping Beauty". Story hours begin promptly at 3:35 o'clock. All boys and girls are cordially invited.

Film for Art Lovers

The rapidly vanishing technique of Chinese finger painting, with its preconceived composition and the theme of a color film available to anyone interested from February 10 through 28. "Finger Painting Of Wu Tsai Yen" runs for eleven minutes, and is of special interest to adult audiences. Reservations should be made early with Mrs. Gilcreast, who is in charge of audio visual subjects. If a longer program is being planned there are three color films on Canadian subjects, also available until March 31. These are "Fraser Canyon", 25 minutes, the history of British Columbia's most scenic travel route, "Fun Skiing", 20 minutes of ski fun at some of Canada's fine resorts and "Wings, Camera And Gun In Newfoundland", a fourteen minute movie on camera and hunting rifle adventure on game trails.

PRETTY ROSES HELD MEETING

The regular meeting of the South School Pretty Roses Camp Fire Girls was held at the home of the leader, Mrs. Charlotte Murphy with Mrs. Beatrice Rock assisting. The girls hiked around by the wooded area near Sunset Rock. After enjoying the hike the girls returned to their leader's home where they held their business meeting.

LEGALS

February 1, 1964
To the Commissioners of Essex County
Court House
Salem, Massachusetts
Gentlemen:

The undersigned Manager of the Town of Andover in the County of Essex, Massachusetts, thereto duly authorized, respectfully represents that the highway known as Andover Street, from Woburn Street to Central Street, is unsuited to the present requirements of travel, and that common convenience and necessity require that the said highway be widened and straightened, and laid out, altered or relocated, and that specific repairs be made thereon.

WHEREFORE, he prays that after due notice and a hearing the County Commissioners may lay out, alter or relocate the said highway, order specific repairs thereon, and discontinue any portion thereof which by reason of their action may no longer be required, all as in their judgment may be necessary.

Thomas E. Duff

Refuse Permit To Use Seal

The Selectmen, obviously concerned about over-use of the town's official seal, has refused permission for its use on a League of Women Voters fact sheet.

The document concerns a brief history of town meeting and a description of the annual meeting for the benefit of those who are not familiar with it. The League had asked approval from the Selectmen, for the use of the seal, but not necessarily for official sanction for the fact sheet.

The Selectmen felt, however, that at least semi-official status is given anything on which the seal appears.

While denying the current request, the Board noted that approval was given to use of the seal on a book, being published by the Historical Society, which contains many of the articles by Miss Bessie Goldsmith.

There also was a brief debate over whether the argument-producing booklet on recreation and organizations within the town, published last year, should have borne the town seal.

According to statutes produced at the request of the Board, there is a $50 fine for using the seal without authority. The Board recalled giving none to those who published the recreation guide, but they also disagreed on whether it was the Recreation Committee and Department which sponsored the book or whether the Recreation Council sponsored it. The latter, it was stated, is not an official town agency and would have no right to use the seal without permission. Town Manager Thomas E. Duff said the booklet actually was planned by the official recreation agency, but work had been solicited from the volunteer group in putting it together.

SPECIAL MASS FOR CYO DEANERY

Members of the St. Augustine C.Y.O. will join other CYO members of the Lawrence Deanery for a special evening Mass at 6 p.m. Sunday, Feb. 9, at St. Joseph Church in Lawrence.

This Mass will be offered by the pastor of St. Joseph's, the Rev. George M. Dagher, in the Byzantine-Melkite Rite. CYO'ers who wish to do so may receive Holy Communion at this Mass under both species, bread and wine. A full explanation and commentary will be given during the Mass. Following the Mass, a supper and a social will take place. Members of St. Augustine's C.Y.O. planning to attend must make reservations by Feb. 7 at the Rectory.

St. Augustine's Lenten Devotions

Wednesday of next week, Feb. 12, is Ash Wednesday, the first day of the Lenten season.

On that day, a new schedule of daily Masses will go into effect at St. Augustine's Church. On each of the week-days of Lent, Mass will be offered at 6:30, 8 and 11 a.m., and at 6 p.m. Confessions will be heard for 15 minutes before each of the Masses, both morning and evening.

On Ash Wednesday, the ashes will be blessed before the 6:30 a.m. Mass and will be distributed after each of the four Masses and at 1 p.m., 3 p.m. and at 7:30 p.m. Ashes will also be distributed at St. Joseph's, Ballardvale at 7:30 p.m.

On each of the six Sunday evenings of Lent, at 8 p.m., Bible Devotions, consisting of three readings from Sacred Scripture, a short sermon, litany of the Saints and Benediction of the Blessed Sacrament, will take place.

On the Monday evenings of Lent, following the 6 p.m. Mass, a special Lenten Sermon will be delivered by the Very Rev. George F. Burnell, O.S.A., rector of Austin Preparatory School in Reading. The regular Novena Devotions in honor of the Infant of Prague and Our Lady of the Miraculous Medal will also be held at this time.

Stations of the Cross will be held at St. Augustine's Church every Friday afternoon during Lent at 3 p.m. and every Friday evening at St. Joseph's in Ballardvale at 7:30 p.m.

The pastor of St. Augustine's, very Rev. Francis X. N. McGuire, O.S.A., urges his parishioners to take an active part in as many of these services as possible.

$3,000 Increase In Dump Expense

The town dump will cost over $3,000 more to operate in 1964, according to preliminary budget figures presented to the Selectmen Monday night.

Town Manager Thomas E. Duff explained the increases, and said the Finance Committee has approved a $14,925 budget. Last year's appropriation was $11,670.

Duff said open burning at the dump will continue in 1964. The addition of extra equipment and more personnel would be needed, he believes, to put a complete sanitary land fill operation into existence locally.

A large portion of the increase comes in sand and gravel purchases, from $2,000 last year to $5,000.

Mr. and Mrs. Robert Perkins recently visited in the home of Mr. and Mrs. William Kneath, 28 Laurel ln.
